camping

- All campers must be festival attendees with valid wristband ticket. Campers staying less than 4 nights must have full-event or current day's wristband to enter campground prior to 7pm on any day. Campground entrance allowed after 7pm with next day's wristband; however, wristband not valid for that evening's activities or concerts.
- Camping fee – includes four nights (Wed-Sat), maximum 8 people per site.
- **Tent camping** - \$125. Site approximately 20' x 20' – one vehicle allowed at each tent site (if it fits on your 20' x 20' site).
- **Tent Trailer camping** - \$125. Site approximately 20' x 20' – one tent trailer allowed at each site **alongside** tow vehicle. If tent trailer and tow vehicle **must** stay connected, RV site must be purchased for total length (measure tow vehicle **plus** tent trailer).
- **RV camping** (no hook-ups) – fee varies depending on length (see chart on order form). Site approximately 16' wide – designed for RVs or vehicles pulling trailers (5th wheel, etc – measure tow vehicle **plus** trailer).
- Sites are not designed to accommodate additional vehicles, including trucks pulling trailers (unless site length purchased will accommodate both). Camper Advisory: If camping vehicle or equipment will not fit on the site(s) you purchased, you will

be reassigned and charged the additional fee.

- All camping at SWC-Monterey is primitive: no tables, BBQ pits, etc. Bring everything you need to be comfortable! All campground terrain is hard-packed ground unless otherwise noted as lawn/grass, gravel or asphalt. **NO tent stakes in asphalt areas.** Campsites assigned/filled in priority order by reservation date.
- Water, showers, and toilets accessible to all campgrounds.
- Sites available for disabled guests – call The Box Office. State-issued Disabled Person Placard ID required.
